LUGGAGE TAG OVERVIEW

Help your customers pack their bags with style, security and your customized marketing message. Luggage tags are great promotional item for your customers and prospects. They provide an inexpensive, effective way to promote your business or organization. And, your message will be seen for years to come. Our luggage tags are made of the same durable material as the credit card in your wallet. Plus, as one of America's largest printer of custom luggage tags, we have the

equipment and expertise to personalize these tags with your logo, marketing message or graphics – all in stunning color or eye-catching lenticular effects.

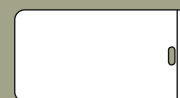

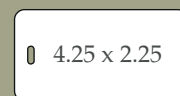

Tags can be produced using either your custom artwork or one of our stock designs. Plus we specialize in fast-turnaround, affordable pricing and quality luggage tags that your customers will be using – and remembering you by – for many years.

50 Mil Tag with Insert

SEALED RECTANGLE TAG

Our sealed rectangular tag offers the ultimate in durability. Write contact information on the enclosed insert or just slip a business card into the tough, visible compartment on the back of the tag. Impress your clients and customers with the most durable custom-printed luggage tag available. Your graphics, brand or message will be on their luggage for years to come.
